

TEENAGE CANCER ACTION WEEK

28 SEPTEMBER - 4 OCTOBER 2015

DRESS DOWN DAY ON:

Support young people with cancer by taking part in our dress down day during Teenage Cancer Action Week. The day could be anything from ditching the school tie to wearing home clothes. By donating £1 each, students will be directly supporting other young people. A parents letter, email and poster can be found on our website.

If dressing down isn't for you, but you would like to fundraise in other ways, contact us at hello@teenagecancertrust.org. We're always happy to chat.

The five signs of cancer in young people are persistent and unexplained:

- Pain
- Lump, bump or swelling
- Significant weight loss
- Extreme tiredness
- Changes in a mole
