

## Challenge Champion Volunteer

### About Teenage Cancer Trust:

We make sure young people don't face cancer alone. We do it by helping young people and their families deal with the many ways that cancer can affect your body, your mind and your life. We do it in partnership with the NHS and by bringing young people together so they can support each other. And we do it from the moment cancer is diagnosed until long after treatment is over...but we can't do it alone, we need your help!

### At a glance:

This is your chance to sign up to become a Challenge Champion.
