

Community Fundraising Speaker Volunteer

About Teenage Cancer Trust:

We make sure young people don't face cancer alone. We do it by helping young people and their families deal with the many ways that cancer can affect your body, your mind and your life. We do it in partnership with the NHS and by bringing young people together, so they can support each other. And we do it from the moment cancer is diagnosed until long after treatment is over.

At a glance:

We're recruiting people to represent Teenage Cancer Trust by delivering talks and manning information stands in the North West, as part of a small pilot project. This volunteer role will deliver talks to adult audiences such as Rotary Clubs, Social Groups or Women's Institute members as well as assisting with activities such as cheque presentations and press calls. This will help us reach more people, increase our awareness, and raise even more funds to support young people with cancer across the North West. We will provide training, materials and support throughout your volunteering with us and so in turn this role requires you to deliver a minimum of four events during the pilot year (2019). This pilot is being trialled in the North West, with view to rolling it out nationally. We are specifically looking for people that are willing to help us shape a volunteer speaker network that works for everyone. Adaptability, flexibility and the willingness to share positive and constructive feedback is a must.

Time Commitment: A minimum of four talks or stands during the pilot year (2019). Depending on requests we receive, these could be daytime or evening, weekday or weekend.

Location: Various locations across the [North West region](#)

Responsible to: Miriam Goodall, Regional Fundraising Manager North West

How do I apply? Email your CV and supporting statement to volunteers@teenagecancertrust.org or call 020 7612 0370 to discuss the role in more detail. There are only 5 places on the pilot and we will hold informal interviews with applicants.

Deadline to apply: 9am on Friday 19th October
