

Edinburgh Marathon Event Support Volunteer

About Teenage Cancer Trust:

We make sure young people don't face cancer alone. We do it by helping young people and their families deal with the many ways that cancer can affect your body, your mind and your life. We do it in partnership with the NHS and by bringing young people together so they can support each other. And we do it from the moment cancer is diagnosed until long after treatment is over...but we can't do it alone, we need your help!

At a glance:

We're looking for volunteers to assist at the finish line of this picturesque marathon as our amazing Teenage Cancer Trust runners complete their challenge and will be keen to receive a much-needed massage from one of our volunteer massage therapists. As the finish line area is always very busy we need volunteers to help us to ensure that things run smoothly as well as direct and congratulate the Teenage Cancer Trust runners after completing their incredible challenge!
