

Great Manchester Run Cheering Squad

About Teenage Cancer Trust:

We make sure young people don't face cancer alone. We do it by helping young people and their families deal with the many ways that cancer can affect your body, your mind and your life. We do it in partnership with the NHS and by bringing young people together so they can support each other. And we do it from the moment cancer is diagnosed until long after treatment is over...but we can't do it alone, we need your help!

At a glance:

This is your chance to cheer, whoop and clap along our amazing team of Teenage Cancer Trust runners at the Great Manchester Run; a fantastic challenge in the heart of the city! We'd love you to join our enthusiastic cheering squad to support our runners to keep putting one foot in front of the other!

This promises to be a really lively and fun day of volunteering, and the perfect opportunity to sign up with your friends and family to come along and cheer together, or to come along and meet other Teenage Cancer Trust volunteers in our brilliant cheering squads. Your support will help our runners to stay motivated throughout their challenge, and ultimately help Teenage Cancer Trust to achieve our goal of being able to reach every young person with cancer.
