CHEER SQUAD VOLUNTEER
VIRGIN LONDON MARATHON
Sunday 3 October 2021

In 2021, more than 200 runners are donning their Teenage Cancer Trust shirts and taking on 26.2 miles to raise funds for young people with cancer. Could you help to celebrate and encourage them by helping us make some noise at our three cheer points along the route? Get your lungs ready for shouting, your arms ready for waving and join our team to help us make sure the experience is one our runners – or you – will never forget!

When? Depending on where along the course you’re stationed, the timings vary. You can select one cheer point location on our application form, from the following:

- Tower Bridge
- Canary Wharf
- Embankment

(Please note that the cheer point locations are subject to change pending guidance from London Marathon)

What will I do?

- Cheer, support and motivate Teenage Cancer Trust runners at one of our Teenage Cancer Trust cheer points.

What will I gain?

- A first-class experience soaking up and contributing to the atmosphere of the event
- Banger sticks, a t-shirt, flags and other materials to help you to make an impact
- Enjoying an amazing day of volunteering soaking up the atmosphere
- Reasonable travel expenses will be reimbursed
- Support on the day as needed, from a dedicated member of staff.

What skills do I need?

- Lots of enthusiasm!
- Reliability & punctuality.

To apply, simply email fill on our online application form before midday on Wednesday 22 September 2021. If you have any questions beforehand, drop us an email at volunteers@teenagecancertrust.org
